**RESPONSE TO RESTRICTION REQUIREMENT**

Sir:

The following is a response to the Restriction Requirement dated September 19, 2002. Applicants thank the Examiner for taking the time to speak with Applicants' attorney on October 15, 2002. Pursuant to this teleconference, and with the traversal of the Restriction Requirement, applicants elect to cancel claims 1-38 without prejudice or disclaimer and to add new claims 44-92. Support for the new claims can be found throughout the specification and the language of the original claims.

**IN THE CLAIMS:**

Please cancel claims 1-38 without prejudice or disclaimer.

Please add the following new claims.

44. (New) A lipoprotein compound delivery particle comprising a truncated apolipoprotein B protein having a deleted LDL receptor binding region.
45. (New) The particle of claim 44, wherein said particle further comprises at least one polar lipid and/or at least one neutral lipid.
46. (New) The particle of claim 44, wherein said particle forms a lipophilic compound.
